Type N female to Type N female 1.125 inch Bulkhead Mount Adapter

Technical Data Sheet

This Type N female to Type N female bulkhead mount adapter is one of several thousand RF products available from Max-Gain Systems, Inc. This adapter is an in-series coaxial adapter.

This adapter is made from a Solid Brass body that is machined and plated with Nickel for superior performance and value. This Type N female to Type N female 1.125 inch bulkhead mount adapter has a Delrin dielectric and a gold plated brass center pin. Both sides provide a Type N female which accepts a Type N male which contains a gasket, for shock- / vibration-resistant and waterproof connections.
